

INDIAN ETHOS AND LEADERSHIP

1. Remembering:

- Demonstrate an understanding of Indian ethos and leadership principles practiced in various contexts.
- Recall key themes from Kautilya's Arthashastra and Indian heritage that influence modern leadership practices.
- Identify the impact of values on stakeholders in an organizational setting.

2. Understanding:

- Explain the significance of Indian ethos in shaping leadership practices and organizational cultures.
- Analyze case studies on Western management practices and their relation to Indian values.
- Discuss the consequences of poor work ethos on organizational effectiveness and reputation.

3. Applying:

- Apply ethical principles and communication skills in a work environment to enhance relationships with stakeholders.
- Utilize 360-degree feedback for self-improvement and career development.
- Implement stress management techniques, including yoga, to cope with different types of stress at work.

4. Analyzing:

- Evaluate the effectiveness of teaching ethics through case studies in fostering ethical decision-making and responsible leadership.
- Analyze the impact of values and ethical practices on various stakeholders within an organization.
- Assess the role of emotional intelligence in handling emotions and stress in a professional setting.

5. Evaluating:

- Critically evaluate the role of Indian ethos in developing leadership qualities and promoting ethical behavior in organizations.
- Assess the effectiveness of different stress management techniques in improving work-life balance and productivity.
- Reflect on the importance of effective communication skills in building positive relationships with colleagues and stakeholders.

6. Creating:

- Develop a comprehensive strategy for incorporating Indian ethos and leadership principles into organizational culture.
- Design a training program on stress management and emotional intelligence for employees.
- Formulate a communication plan to enhance stakeholder engagement and satisfaction through ethical practices.
