

Sanskrit

1. Remembering:

- Identify and recall key verses from a selected portion of a Champu.
- Recall the main characters, events, and themes from the portion studied.

2. Understanding:

- Explain the meaning and context of the selected portion of a Champu.
- Interpret the grammar rules and syntax used in the text.

3. Applying:

- Translate sentences or passages from Kannada or English into Sanskrit maintaining the original meaning and context.
- Apply the rules of textual grammar in writing sentences and constructing paragraphs in Sanskrit.

4. Analyzing:

- Analyze the language structure and style of the Champu portion studied.
- Compare and contrast the stylistic elements of different passages within the Champu.

5. Evaluating:

- Evaluate the quality of translation by identifying and correcting errors in grammar and syntax.
- Critically assess the effectiveness of using specific words and expressions in Sanskrit translations.

6. Creating:

- Create original Sanskrit sentences or passages using the rules of grammar and syntax.
- Develop creative interpretations or adaptations of the Champu portion studied while maintaining the original essence.
