## ANTI SEXUAL HARRASSMENT COMMITTEE

Promoting higher education for women has always been at the very heart of the agenda of the college and reflects its commitment to nurture and preserve democracy within spaces of learning. It promoted this commitment through introduction of schemes for the marginalized sections of the society, and especially, participation of women, cutting across regional and afore-mentioned social groups, to increase their access to, and retention and success in higher education. The outcome of these efforts touched different levels of satisfaction.

Unfortunately, the spate of recent disturbing events in the national capital and in other parts of the country have spurred the UGC to review existing arrangements that are currently in place on the campuses of all institutions of higher learning to ensure the freedom, safety and security of girls, and women in particular, and of the entire youth in general. The UGC is committed to a policy of zero tolerance regarding harassment of any kind.

Regarding implementation of report 'SAKSHAM' on safety and security of girls & women in particular and of the entire youth in general on the campuses of institutions of higher learning and with reference to the UGC Notification No F 91- 1/20131(GS) dated 6<sup>th</sup> November 2015, it is decided to form an anti sexual harassment committee in the institution with the following members
